TUITION FEES IN ADVANCE DISCOUNT

Annual Discount	*4%*

SIBLING DISCOUNTS

Sibling or child discounts will generally apply where the children are enrolled and paid for by the same parent(s)/guardian(s), who have parental responsibility for each child, and where all children live in the same household. Sibling discounts apply only while two or more eligible siblings remain enrolled at the College. The Principal may approve an exception in special circumstances, taking into account the individual circumstances of the family while ensuring fairness and equity across the broader College community.

PAYMENT OPTIONS

Tuition Fees and Levies are billed annually, with statements issued at the commencement of each school term. Term fees are due and payable within 14 days of the statement issue date, unless an approved payment plan has been established through the College's fee management system (VCPay), available via the Veracross Parent app. Payment plan options include weekly, fortnightly, monthly, quarterly and annually. Payments through VCPay can be made by direct debit or credit card. A 4% discount on tuition fees applies when the full annual tuition fee is paid by the second Friday of Term 1. This discount does not apply to levies or other charges. The annual payment discount is not available where fees are already subject to a concession, scholarship, bursary or other discounted fee arrangement, unless otherwise approved by the Principal.
