

Faith Diligence Love

SUNCOAST
CHRISTIAN COLLEGE

Your Child - Our Purpose - Their Future

Strategic Plan
2016 - 2020

Our Vision:

We believe to see
Faith, Diligence, Love

Christ our Heart

For curriculum, pastoral care and community life to be distinctively Christ-centred and holistic in order to develop the whole person.

To have a strong, flourishing and mutually beneficial relationship with Suncoast Church.

Our Team Excels

To nurture and build teaching staff in their capacity, skills, dispositions and sense of calling for excellence in pedagogy and assessment.

For the College to effectively support the well-being of staff amongst the demands of the profession.

Our Opportunities

To develop relationships with Universities, businesses, our Regional Council and utilize major projects to provide real-world opportunities for our students.

To harness the untapped talents and expertise of our parents, alumni and the wider College community in order to enrich our students' learning.

To enhance our online education capacity through the provision of teaching resources to support current students and to position ourselves for greater distance and missional education opportunities.

To make greater use of our unique property to promote healthy lifestyle habits, sustainability, a sense of community and connection with the broader community.

Our Students First

To develop co-curricular opportunities and experiences.

To achieve the best mix of subject offerings in the Senior Years to prepare students for their future pathways.

To maintain, expand and deepen college service opportunities locally, nationally and internationally.

To maintain the currency and provision of high quality technologies to support student learning.

To faithfully and effectively implement the balance of the Australian Curriculum and manage changes in Senior curriculum and assessment.

Our Stewardship

For College facilities and spaces to support collaborative and contemporary learning, and to be of a standard similar to 'like' schools through an ongoing commitment to capital improvement.

To further develop excellent stewardship and spiritual oversight, as well as ethical and transparent governance, in order to serve and protect the interests of the College.

Our Students Achieve

For students, parents and staff to demonstrate a greater commitment for pupils to achieve their full academic potential through persistence, self-discipline and sustained effort. For diligence to become part of the daily discourse of College life.

To implement a gifted educational program following the development of policy, procedures, strategies and staff.

Our Mission:

We commit to provide **Christ-centred** education that promotes **life-long learning**, develops excellence and **Christian character**, and fosters **social responsibility**.

Our Purpose Advanced

To engage staff and parents in generating and evaluating progress towards Strategic Plan goals and annual objectives.

To develop strategies to involve General staff more deeply in the culture of the College.

Our Stories - Our Connections

To improve our community profile, marketing and branding to increase student enrolments.
