A copy of this policy is provided to the student (or parent(s)/legal guardian if the student is under 18) at a reasonable time prior to a written agreement being signed as well as comprising part of the student's written agreement.

1. This policy outlines refunds applicable to course fees paid to the College.

3. The enrolment application fee is non-refundable.
4. Payment of Course Fees and Refunds
 - a) All fees are payable according to the College's Fee Policy and invoiced 14 days prior to fees being due for payment. An itemised list of College fees is provided with the prospectus pack, on the College website and in the written agreement (NC Standard 3.3.4).
 - b) All fees must be paid in Australian dollars unless requested otherwise. Refunds will be reimbursed in the same currency as fees were received.
 - c) Refunds will be paid to the person who enters into the written agreement unless the College receives written advice from the person who enters the written agreement to pay the refund to someone else.

6. Student default because of visa refusal
 - a) If a student produces evidence of visa refusal (or provides permission for the College to verify visa refusal with the Department of Immigration) and fails to start a course on, or withdraws from the course on or before the agreed starting day, the College will refund within four weeks of receiving a written claim from the student the total amount of course fees received by the College before the student's default day.
 - b) If a student whose visa has been refused withdraws from the course after it has commenced, the College will retain the amount of tuition fees proportionate to the amount of the course the student has undertaken and will refund of any unused tuition fees* received by the College with respect to the student within the period of four weeks after the day of student default.

*Calculation of the refund due in this case is prescribed by a legislative instrument (s.10 of Education Services for Overseas Students (Calculation of Refund) Specification 2014).

- a. If the College receives written notification of withdrawal by the student (or parent(s)/legal guardian if the student is under 18) 4 or more weeks prior to commencement, the College will refund the total amount of tuition fees less an administration fee of up to \$500. No refund of the application fee or other non-refundable fees applies.
- b. If the College receives written notification of withdrawal by the student (or parent(s)/legal guardian if the student is under 18) less than 4 weeks prior to commencement of the course, the College will refund 75 % of the first study period's tuition fees received by the College. Any tuition fees paid beyond the first study period will be refunded.

Provider default

Any default by the school must be compliant with the current provisions of the ESOS Act 2000 and the ESOS Regulations 2019.

1. If for any reason the College is unable to offer a course on an agreed starting day for the course, and the student for some reason cannot be placed or refuses placement in an alternative course arranged by the College, a full refund of any unused tuition fees* received by the College with respect to the student will be made within 14 days of the agreed course starting day.
2. If for any reason the College is unable to continue offering a course after the student commences a course, and the student for some reason cannot be placed or refuses placement in an alternative course arranged by the College, a full refund of any unused tuition fees* received by the College with respect to the student will be made within 14 days of the College's default day.
3. In the event that the College is unable to fulfil its obligations of providing an agreeable alternative course for the student, or a refund, the student will receive assistance from the Australian government's Tuition Protection Service. For information on the TPS, please see: <https://tps.gov.au/StaticContent/Get/StudentInformation>.

***Calculation of the refund due in this case is prescribed by a legislative instrument (s.7 of Education Services for Overseas Students (Calculation of Refund) Specification 2014).** <http://www.comlaw.gov.au/Details/F2014L00907>.

4. Where such a provider goes into default:
 - a. registration, the student's tuition fees for the course (including the VET components) are protected by virtue of the College's CRICOS registration.
 - b. From a course delivery perspective, if the RTO the school has partnered with closes or is otherwise unable to deliver the VET component, the school must ensure that the student is still able to complete the secondary school course for which their visa has been issued. This could mean engaging an alternative VET provider to deliver the VET components or if this is not possible,

offering alternative secondary school subjects which meet the requirements for completing the school qualification.

This written agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies.
