BUS FARES 2024

COLLEGE BUS FARES

The College owns and operates a fleet of air-conditioned buses, badged as 'Goldline', with students being dropped off and picked up in the College grounds. Buses arrive at 8:20am and depart at 3:10pm. Bus Fares are charged per term and are added onto the College fee account, excluding **casual use**. Fares vary according to the zone and number of children travelling.

The College operates a bus service for currently enrolled students. Whilst the suburb may be indicated over page, these are for zone purposes only and may not be serviceable by the College buses. Please visit the Buses page on the Website for more information.

Full-time and AM or PM only students have seating priority over casual users. Casual travel will require confirmation with the Transport Manager.

We offer AM only usage or PM only usage, not a partial combination. In which case, Full Time would be the most cost effective option. Any travel outside of the booking will be charged at the casual rate for the zone travelled.

Single journey casual tickets **MUST** be pre-purchased via FlexiSchools and the student added to the Bus Roll using RollCall.

Absences or missed trips from morning (AM only) or afternoon (PM only) travel cannot be transferred to different times.

All bus users must be registered on the RollCall App. By using the College bus service you are agreeing to the compulsory requirement that RollCall will be used to manage your student's bus travel. Please refer to the Bus Travel To and From College Conditions of use.

Any issues or problems experienced using RollCall should be directed to the Transport Manager.
