Purpose

The purpose of this document is to provide written processes to ensure that homestay service providers and homestay hosts for Suncoast Christian College ('the College') comply with legislation applying in Queensland about the care and protection of children in homestay arrangements.

In particular, the purpose of this Risk Management Strategy for Child Protection is to:

- promote the well-being of homestay students and to protect from harm;
- assist the College to deliver a quality service to the young people in care; and
- reduce the risk of harm to homestay students through written policies and procedures, including information and training, for homestay providers and hosts involved with the College.

Scope

This strategy applies to:

- homestay service providers;
- homestay hosts;
- residents of homestay host homes;
- homestay students; and
- visitors to homestay hosts' homes.

The policy covers information about the College's commitment to child protection, procedures related to recruiting, selecting, training and managing staff, including hosts and homestay service providers; policies and procedures for handling disclosures or suspicions of harm, including reporting guidelines; risk identification and management; and communication and support.

Review & version control

The Principal is considered the owner of this policy.

An annual review of this policy is recommended. The College, from time to time, may review and update this policy, subject to new laws and technology, changes to College operations and practices and to make sure it remains appropriate to the changing environment.

Risk management strategy

The College is committed to the protection of all children in its care. In order to manage the risks surrounding child protection the following strategies and procedures apply for the safety and protection of students in homestay.

Principles

The College believes all Homestay students have the right to feel safe, be listened to, be involved in decisions that affect them, have cultural values respected, not be unjustly discriminated against on the basis of status, activities, expressed opinions or beliefs of parents or guardians, and have the best interests considered.

Students under the College care should be provided with the knowledge and information required to feel empowered to take action in the event of abuse or neglect.

The College acknowledges that Homestay students are unique and valued individuals and deserve to be treated with care and respect.

The College recognises that respect for Homestay students is the foundation upon which all policies and procedures are developed. The College is committed to promoting wellbeing and protecting the security, safety and wellbeing of Homestay students under the College protection.

Child protection policy

The College has a current Child Protection Policy and Risk Management Strategy which meet criteria as set down in legislation and regulation. These outline policies and procedures for handling disclosures or suspicions of harm, including reporting guidelines and are available:

- on the College website (www.suncoastcc.qld.edu.au);
- on the College staff intranet site; and
- in print copy upon requested.

It is the goal of the College to create safe environments for homestay students and an environment in which they can successfully pursue an academic career and personal development.

Statement of commitment:

- the College strives to create a safe and friendly environment for homestay students;
- the College believes all homestay students have the right to feel safe, be listened to, be involved in decisions that affect them, have cultural values respected, not be unjustly discriminated against on the basis of status, activities, expressed opinions or beliefs of parent/guardians and to have best interest considered;
- students under the care of the College should be provided with the knowledge and information they require to feel empowered to take action in the event of abuse or neglect;

- the College acknowledges that homestay students are unique and valued individuals and deserve to be treated with care and respect; and
- the College is committed to protecting the security, safety and wellbeing of homestay students under its protection.

Any breach or suspected breach will be dealt with by investigation and reporting to relevant authorities, where necessary, refer the College's 'Child Protection Policy, Procedures for Reporting Harm'.

Suitability notices

All homestay service providers and homestay hosts (including parents of the College, but excluding relatives of the child in homestay) must have prescribed suitability notices (blue cards) **except** when:

- the 'employment' is arranged by the College; **and**
- the employee performs the function as a volunteer; **and**
- the employee performs the function for 10 days or less; **and**
- the employee does not perform the function on more than two occasions in the same year.

Paid employees of a homestay host must hold a blue card if where a 'regular contact' provision is in place.

Adults other than the designated homestay host living permanently with the homestay provider must hold a blue card; screening of such adults is carried out free of charge.

The College maintains a register of blue card numbers of people in the above categories and the dates for renewal in the Business Office.

Risk assessment

Refer to the 'Risk Management Policy' available on the Intranet or by contacting the Business Manager at the College for further information about identifying, analysing, evaluating and prioritising, treating and monitoring and reviewing risk.

Accommodation and Welfare Policy

Care for younger students under 18 years

Suncoast Christian College is a CRICOS-registered provider, which enrolls younger students under 18 years of age.

As part of its registration obligations the College must satisfy Commonwealth and State legislation, as well as any other regulatory requirements, relating to child welfare and protection for any overseas student enrolled who is under 18 years of age.

These obligations include ensuring that all overseas students under 18 years of age are given age-and culturally-appropriate information on:

- who to contact in emergency situations, including contact number/s of a nominated staff member; and
- how to seek assistance and report any incident or allegation involving actual or alleged sexual, physical or other abuse.

The College has documented procedures relating to child welfare and safety and will implement these procedures in the event that there are any concerns for the welfare of a student under 18 years of age.

Accommodation and care options for International students under 18 years

The College approves the following accommodation and care options for overseas students:

- The student will live with a parent or relative approved by the Department of Home Affairs.

In this case:

1. The College **does not** provide a welfare letter (CAAW) via PRISMS. The student's family completes Form 157N and provides proof of relationship to Department of Home Affairs at the time of visa application for approval of these arrangements. The Department of Home Affairs must also approve any further change of welfare arrangements.
2. If the adult responsible for the welfare, accommodation and other support arrangements for a student under 18 years holds a [Student Guardian Visa \(subclass 590\)](#), all obligations and conditions of this visa must be met, including:
 - a. not leaving Australia without the nominating student unless there are compassionate and compelling circumstances and the College has first approved alternative welfare and accommodation arrangements for the student for the adult's period of absence; and
 - b. advising the Department of Home Affairs of any change of address, passport or other changes of circumstances.

The College requires holders of Student Guardian Visas to:

- maintain Overseas Student Health Cover for themselves and any dependent children living with them in Australia;
- immediately advise the College of any change to address or contact details;
- immediately advise the College if there are any compassionate or compelling reasons to travel overseas or not be at home for an extended period of time to care for the student.

If there is a valid reason for travelling overseas, and the College is able to approve alternative accommodation and care arrangements for the student for the period of student guardian visa holder's absence, the College will provide documentation approving temporary care arrangements for the student to the student's guardian and for the Department of Home Affairs via PRISMS.

If there is not a valid reason for travelling overseas, or if the College is not able to approve alternative accommodation and care arrangements for the student for the period of student guardian visa holder's absence, the student will need to travel overseas with the holder of the student guardian visa. In this case,

the College will advise if compulsory attendance requirements will or will not be affected by the student's absence.

The student will live in College approved accommodation and welfare arrangements and the College will generate the welfare letter (CAAW) via PRISMS to accompany the student's Confirmation of Enrolment (CoE).

Accommodation options that may be approved by the College for full fee paying, visa subclass 500, students under 18 years of age include:

- homestay program operated by The College; or
- private accommodation and care arrangements requested by the parent but approved by the College which meet all requirements under relevant state and commonwealth legislation.

The College will maintain approval of accommodation and care arrangements until:

- the student completes the course and departs Australia;
- the student turns 18 years;
- any appeals processes in relation to The College's intentions to cancel the student's enrolment has been finalised (including suspensions, cancellations, course progress and attendance);
- the student has alternative welfare arrangements approved by another registered provider;
- a parent or nominated relative approved by the Department of Home Affairs assumes care of the student;
- the College has notified the Department of Home Affairs that it is no longer able to approve the student's welfare arrangements and has taken the required action after not being able to contact the student.

The College, including arrangements provided by third parties, must approve any accommodation, welfare and other support arrangements for the student.

Accommodation and care arrangements are checked prior to approval and at least every six months thereafter to ensure they are appropriate to the student's age and needs.

Any adults involved in or providing accommodation and welfare arrangements to the student have a blue card as appropriate (<https://www.bluecard.qld.gov.au/>).

Any changes to approved arrangements must also be approved by the College.

If a student cannot be located and the College has concerns for his/her welfare, the College will contact the student's parents / legal guardian and notify the police and any other relevant authorities.

If a student for whom the College has issued a CAAW refuses to maintain approved arrangements, the College will report this to the Department of Home Affairs and advise the student to contact the Department of Home Affairs to ensure visa implications are understood. (See Department of Home Affairs office addresses at: <https://immi.homeaffairs.gov.au/help-support/contact-us/offices-and-locations/list>).

If a parent / nominated guardian wishes to assume welfare responsibility, the parent / nominated guardian must notify the College as soon as practicable of their intentions and must provide the College with written evidence of a guardian visa grant.

For College vacation periods, students under 18 years of age for whom the College has issued a CAAW will:

- return home to parents; or
- continue to live in / is placed in Homestay arranged and approved by the College; or
- apply for approval to spend the vacation with relatives or a friend's family.

Accommodation options for students 18 years and older include Homestay Program, including private arrangements requested by a parent.

For College vacation periods, the following accommodation options are available to students 18 years, or older students:

- returns home to parents;
- continues to live in / is placed in Homestay, details of which are recorded by the College;

- may spend vacation with friend's family or relatives, provided details are given;
- may attend a supervised excursion, camp, etc., provided details are given.

The Homestay / private accommodation arrangements approved by The College meet Queensland legislative requirements for child protection as well as Standard 5 of the 2018 National Code of Practice for Providers of Education and Training to Overseas Students. These include:

- continuous dates for approved welfare arrangements;
- documented procedures for checking suitability of accommodation, support and general welfare arrangements before a student is placed in an approved arrangement, and at least every six months thereafter, covering:
 1. Guidelines for selecting, screening and monitoring each family and ensuring the family can provide age appropriate care and facilities for the duration of the student's enrolment at the College.
 2. Criteria about accommodation services to be provided, and contract for arrangements about providing accommodation services.
 3. Orientation program for families new to provision of homestay services.
 4. Compliant Homestay risk management strategy, reviewed annually, undertaken by the College / operator of the homestay program

Working with young people (blue cards) as required for adults living in the homestay / private arrangement, other than international students, or who otherwise have regular contact with the student.

Selection & training of homestay hosts

The College recognises that risk management for children in homestay begins with the recruiting, screening and selection of the right people to provide an accommodation service, and continues by having consistent procedures in place for all stakeholders to follow, with adequate management and supervision to ensure they comply with these procedures.

Selection

In choosing a homestay host the College must comply with any relevant legislation and be satisfied of the ability of the homestay host to care for the student in a safe and secure environment, and to provide age appropriate support and supervision for a child or adolescent attending school and adjusting to living in a new environment.

All homestay hosts must agree to a Code of Conduct and the College's Child Protection Policy. The College has criteria with regard to how a decision about the suitability of a homestay host is selected. These criteria cover the minimum requirements with regard to:

- blue card requirements;
- facilities and infrastructure (e.g. access to transport);
- hygiene;
- cultural awareness;
- College and homestay rules; and
- services provided (e.g meals, laundry).

All homestay families, and prospective families, are supplied with a copy of this document.

Induction

The College values the work of homestay hosts and recognises the responsibility to offer support and assistance to ensure that homestay arrangements work well for all concerned. The school has a written induction process which applies to all staff, volunteers and contractors (hereafter called 'staff') during the first twelve months of appointment, and includes procedures for making staff members aware of the legislation on Child Protection and the Code of Conduct expected of staff.

The induction process includes, but is not limited to:

- professional development about identifying and reporting harm or suspected harm;
- making staff aware of the risk management procedures for the protection of children; and
- working through policies related to child protection such as;
 - behaviour management;
 - anti-bullying; and
 - disabilities' policy.

In addition, homestay induction includes:

- providing information to homestay hosts about the aims of the homestay program;
- responsibilities of hosts **and** of the homestay students;
- possible problems that may arise and possible solutions;
- legal issues;
- contact points for homestay hosts needing assistance or in an emergency; and
- cultural differences to be aware of.

Adherence to this policy and procedure document will be monitored by the College. A report to the Principal regarding compliance/non-compliance will be provided at every occurrence and at least every 12 months.

Regular contact with the homestay host and homestay student will be established through the Enrolment Office and the Director of Student Development Office. Ongoing counselling and communication with the student will be through the Director of Student Development Office.

The College will make provision for international students to homestay if requested by the student's parent/guardian. The parent/guardian of an international student requiring homestay arrangements must complete a Homestay Arrangement Application Form.

Application for homestay arrangements must be made three weeks in advance of the students' arrival in Australia.

College responsibilities

Induction to homestay will be arranged individually with host families as the need arises.

The College will provide the homestay host with information relating to the student as soon as it is available.
