

ZOE ALLIED HEALTH CLINICS

We offer Speech Pathology, Nutrition and Dietetics, Occupational Therapy, Allied Health Assistants and Support Workers for all ages. Our experienced Allied Health Practitioners will work with you to support and empower you, providing evidenced-based interventions to improve your treatments and enhance your quality of life. Medicare, NDIS & private clients received.

SCREENING SERVICES

Early Intervention is key! Screeners include report + recommendations:

- Speech Pathologist Screening: Your child's speech, language, social, emotional and early literacy skills are screened and observed.
- Dietitian and Nutritionist Screening: Your child's development, nutrition for growth and learning behaviours &/or screening for fussy eating are screened with yourself and your child.
- Occupational Therapist Screening: Your child's motor, play/social, self-care and self-regulation skills are screened and observed.

Screeners are only \$40! Onsite services are available for ongoing support.

Telehealth, school, clinic and home support is also available. For our Partnering School Families, please chat to your teacher or Director & contact us to see how we can help in the process.

Serve, Support, Celebrate

We exist to serve, to help. We are here to serve you, your family, our community and the larger global community. We provide education and training to see your goals supported beyond your appointment. Learning new skills is hard work! At Zoe, we take moments to celebrate the wins along the way, appreciating the effort of all involved. Our clients deserve to be celebrated!
